### 20TH ANNIVERSARY DONOR RECEPTION

#### JANUARY 27

More than 350 loyal donors gathered in the John's Island Club ballroom to celebrate the charitable organization's 20th anniversary. The donors' generosity allows the foundation to provide capital grants to local nonprofit agencies that are serving the community in a variety of ways. The foundation honored its first president, Ellie McCabe, by donating a special \$50,000 grant to the Gifford Youth Achievement Center for a new mental health guidance office.
